Dear Valued Guests,

Welcome to Chankiri Kitchen & Bar - we're delighted to have you with us.

At Chankiri, food is more than just a meal – it's a story we love to share. Our kitchen celebrates the best of traditional Khmer flavors and international favorites, always prepared with the freshest ingredients. Much of what we serve comes straight from our community – from the daily catch at the local crab market, to seasonal fruits, herbs, and vegetables grown nearby, and the world-renowned Kampot pepper and traditional salt fields that make this region a true culinary treasure. For certain dishes, we also bring in carefully selected premium meats from abroad, to ensure the highest quality and variety for our guests.

The same care goes into our drinks – from cocktails and craft beers to teas and fresh juices – all thoughtfully crafted with local ingredients whenever possible. To complement these, our wine selection features carefully chosen premium imports from renowned regions around the world.

Thank you for choosing Chankiri. We look forward to sharing good food, refreshing drinks, and wonderful moments with you.
